Cable Beach Club March Re-opening Special

Broome's Cable Beach Club Resort & Spa hasn't got a single guest this February. It's been taken over by builders, bobcats and blueprints and what a fantastic mess the place looks right now!

But when you return in March you're in for pleasant surprise. You'll find a new look reception area specifically designed to get that glass of welcome bubbly in your hand, your check-in completed speedily and have you swimming in one of our two pools as quickly as possible.

There's also a brand new Club Lounge Bar; reserved exclusively for our guests and perfect for that pre-dinner drink or intimate night-cap. The ever popular Thai Pearl restaurant will be air-conditioned, so it's perfect for those balmy evenings.

Couples staying in one of the Pool Terrace Studios will enjoy a new decked terrace area overlooking the adult's only Ocean Pool. And for those mixing business with pleasure enjoy free Wifi and a new Business Centre.

These works are part of the Resort's ongoing commitment to being the very best that Western Australian regional tourism has to offer and one of Australia's most desired holiday destinations!

To celebrate the renovations Cable Beach Club has a March re-opening special. Stay in a Pool View Studio for just $189 per room, per night including full buffet breakfast daily, welcome drinks and return Broome Airport transfers.

To make a booking visit cablebeachclub.com or call reservations on 1800 199 099.
