Resort information

For your convenience and to assist us in maintaining increased hygiene standards, a compendium is located on your TV and includes information about Chahoya Spa & Salon, restaurants and Resort services. You will also find contact phone numbers, dining information and a Resort map in this booklet.

Cleaning & hygiene measures

Resort staff will all undergo the mandatory Hospitality & Tourism COVID-19 Hygiene Course prior to their commencement. Please understand that due to our thorough hygiene practices, we anticipate room cleaning will take longer than usual and you may experience a service delay.

We ask that all guests practice good hygiene including regular hand washing throughout their stay. Shared bathrooms and facilities will be cleaned regularly, and hygiene signage will be in place.

Tour Desk / Resort Shop

The Tour Desk and Shop are open from 8:00am to 5:00pm and both are located next to Reception. Our staff can assist you with booking a variety of tours that leave from the Resort.
